My Sweet Jesus †

Mary, Mother of Tenderness †††

Virgin Mary:

My dear children, whether you are alone or accompanied, do not let go of prayer. It is at the moment when you will no longer believe in it that God will fulfill his Divine Will. The men did not listen to his Voice, so He intervenes point blank. Amen †

All that you have accomplished in the direction of Peace will bear fruit. There is not a single word you speak that is not heard of the One who can do everything, who sees everything and receives everything from all of you. So how much you must listen to the One who is the Voice, the Truth, the Way and the Life. Amen †

Jesus:

My dear children, My Friends, take umbrage under the wings of Our Divine Persons, and give to them those who persecute you. I am with you all. Do not seek to fight except in the silence of your hearts, of your hearts attached to Ours. I am the Resurrection and the Life; the Life I give freely; give yourself to Us freely. Amen †

Jesus and Mary and Joseph, We bless you in the Name of the Father, and the Son, and the Holy Spirit. Peace is a Divine thing that you must understand and spread around you, this one word can change everything. It is up to all of you to think, dictate, and let it be known. Amen †

Peace will be in the hearts of all who trust Me, who listen to My Word and put it into practice. **Be devotees, not fortune tellers.** Amen †
