My sweet Jesus †

Marie, Mother and Queen of France †††

Virgin Mary:

My dear children, ask Me to come and renew France. I am a Queen, I can do everything if you ask Me. **Do not abandon your country, you French people and United-States.** I see so much misery in this country, my country that has vanished before the monsters who rule over you. **Today I come to warn you of a change.** Ask God with me, your Mother and your Queen, to bear the fight. Realize that you can change everything by prayer. Pray and say with Me to your God and Lord, My Son, **take the reins, you who are King.** Long live Christ the King who overcomes the world. Amen †

Jesus:

My dear children, My friends, listen to Us, **the Peace must remain engraved in your hearts;** it is in My Heart that one must snuggle up, in My Sacred Heart that one must live. Amen †

In the future you will have sanctifying Grace, **on the only condition of trusting Us;** it is in trust that one draws from the source of My Heart. Come to Me and give Me your Yes. And you Catholics, **come to Me in the Holy Mass;** what are you waiting for to visit Me. Far from Me no salvation, with Me and in Me, I in you, the victory. It is by the gift that God has given you, when He was with His Apostles, that you will rise again; therefore I call you to follow Me. **Return to God, He is waiting for you.** Amen †

Jesus and Mary and Joseph, We bless you in the Name of the Father, and the Son, and the Holy Spirit. **Take your desires in My Person** who calls you and who does not stop telling you: come! And you will say: **Come Lord Jesus, come to rescue us.** Amen †

"I consecrate the world, Lord, to your Sacred Heart" (3 times),

"I consecrate the world, Virgin Mary, to your Immaculate Heart,"

"I dedicate the world, Saint Joseph, to your fatherhood,"

"I consecrate the world to you, Saint Michael, protect it with your wings". Amen †
