My Sweet Jesus †

Mary, Queen of France and Navarre †††

Virgin Mary:

My dear children, I come to remind you of the death of your King Louis who was beheaded by the Republic that took control of this France. Everything they have done to France must disappear: the bad laws, the laws against My Church, the wicked laws that punish My children. A leader of France must accompany his subjects. Today this is not the case, we lie, lie and lie. That is enough! Pray, My children, that this challenge will disappear, that Peace will be the only goal in everything. Come to Us and forget your quarrels. How many of My children fight. Let others who are no longer My children tear themselves apart. Give them no more credit. I tell you this because the time has come to make Peace, to say Peace, to say only that; Peace is Love, the rest does not belong to Us. Leave Evil where it is, and you will be better off. Amen †

Jesus:

My dear children, My Friends, become disciples full of My Kingship. Like all the Kings who followed Me in imitating My Person: may grace overwhelm you who follow Me. Amen †

Swear allegiance to My Voice; listen and you will see. Pray and you will become true children of My Heart, of My Sacred Heart. I am King, I am the Christ-King. I am the One who comes to you. Do you believe me? Amen †

Jesus and Mary and Joseph, We bless you in the Name of the Father, and the Son, and the Holy Spirit. **May victory be in you, may your hearts be in Me.** Amen, Amen, Amen †

Peace be! Amen †

"I consecrate the world, Lord, to your Sacred Heart" (3 times),

"I consecrate the world, Virgin Mary, to your Immaculate Heart",

"I consecrate the world, Saint Joseph, to your fatherhood",

"I consecrate the world to you, Saint Michael, protect it from your wings". Amen †
