My sweet Jesus †

Marie, Queen of France, Mother of God †††

Virgin Mary:

My dear children, it is two years since the Good Pope Benedict joined us. **Pray with him for the Holy Church**, as he has done throughout his earthly life. No one needs to conform to the one who says he has taken his place. No! **Listen to us**, do not listen to the one who claims to be the pope, the "Holy Father". No! My children, you are taking a path of perdition if you follow it. Amen †

In a few days, you will understand the evil that this false prophet caused by having his brothers and sisters Catholic «vaccinated». He will not recover from it, for I am doing justice with My Son Jesus. **You will see the world change its mind**. To do this will have given the downhill to hell, where there is no rest. Amen †

Jesus:

My dear children, My friends, I console you in your lives. **Stay with Me, do not change your path**; the true Way is Me, the Almighty. Through your prayers you put an end to all these lies, to all these sectarian excesses. I have been with you since the beginning of the world. Fear not, I am here beside each and every one of you. Amen †

Jesus and Mary and Joseph, We bless you in the Name of the Father, and the Son, and the Holy Spirit. This year ends with a victory against lies. The next year, that is in one day, will bear fruit, for **I take the reins of the Victory for all humanity**. Amen †

Happy and Holy Year will be what you do with it. Love will win, because Love has always won. It is through love that we give thanks to God who is love and truth. Amen †

"I consecrate the world, Lord, to your Sacred Heart" (3 times),

"I consecrate the world, Virgin Mary, to your Immaculate Heart,"

"I dedicate the world, Saint Joseph, to your fatherhood,"

"I consecrate the world to you, Saint Michael, protect it with your wings". Amen †
