Mary, Virgin and Mother of God †††

Virgin Mary:

My dear children be Love as I am Love. In the Passion of My Son, Son of the living God, **I accompanied him** to the end of his earthly life. You also accompany him before he comes to accompany you. I suffered much for Him who had come in me by the Spirit, the Holy Spirit who became by grace, sent from the Eternal Father. Like My Son, Mine was sent by his Father, and the Father raised him from the dead. Amen †

In that day to come, you will rise with Him. **No more tears, no more sorrow**; He gave His Life, you have by Him received grace to live in Him, for Him, with Him. **Give your yes to God** as I have given it. Those who do not believe that I am the Mother of God will have to repent. It is a pity that they are so far from Us who have suffered so much. Amen †

I call you My Friends, as He tells you so often. **And not all of you share His Sorrow**. Offer Him your sorrows, your sorrows, your worries, and live in the Love of the Risen Christ from the dead. **No one is forgotten**, all of you are his joy when he calls you his friends. Amen †

In the day ahead, prepare to overcome your fears. Come and see how great the Lord is, **that He calls you to follow him as He called his Apostles**. See where you are and fight against everything that makes you despair. My Son came to give you Joy, Peace, Light, this Light that He gave to His Apostles on the day of the Transfiguration. I bless you in His Most Holy Name. I say to you, **love yourselves. Give yourselves peace**. Amen †
